

GOOSE ISLAND MOSCATO

2 0 2 2

THE STORY

Just like our wines, each Goose that resides on Goose Island in nearby Lake Serafino, has its own unique personality. The Geese are a constant source of enjoyment and entertainment.

WINEMAKER NOTES

The Frontignac grapes are picked early in vintage to preserve fruit flavours and freshness. Fermented for nine days, the wine was then racked off lees, filtered then bottled on site at Serafino under cool temperatures of around 3° to retain a slight spritz.

TASTING NOTES

- Region: McLaren Vale
