The 2013 Black Labelled reds from Serafino are as sleek as their packaging....

Relatively complex nose: Smells of deep liqueur cherry, cedary oak, raspberry, soft pink marshmallows/rosewater, a pinch of white pepper, a touch of mint and a whiff of black tea tannins. Full, smooth and chockers with deep red/black fruit, superfine tannins and a medium dash of acidity. Like Ricky Martin, this is built solidly, smooth, silky and sexy and ready for wowing the fans.
