

SERAFINO

Black Label Cabernet Sauvignon VINTAGE 2020

Serafino Black Label Story

Serafino Black Label wines are selected from our premium estate vineyard's in McLaren Vale. McLaren Vale has a diverse mix of soil types and vineyard orientation that enhance the complexity of Serafino wines. Distinctive varietal and regional characters are captured in all the premium Black Label wines and consistently over deliver for medium and long term cellaring.

Winemaker Notes

This wine is produced from only the top 25 % of Cabernet Sauvignon fruit available from the Serafino McLaren Vale vineyards. Once destemmed the grapes are fermented in small four tonne open fermenters. The temperature and extraction are monitored over a seven day fermentation period. Tannin and colour extraction is achieved through regular pump overs of the fermentation cap. The wine is then pressed, allowing it to finish the malolactic fermentation prior to spending up to one year in new and one year old French and American oak hogs heads.
