

SERAFINO

Goose Island Sauvignon Blanc VINTAGE 2021

Goose Island Story

Just like our wines, each Goose that resides on Goose Island in nearby Lake Serafino, has its own unique personality. The Geese are a constant source of enjoyment and entertainment.

Winemaker Notes

The Sauvignon Blanc fruit was harvested in the cool of the night in order to preserve the delicate fruit characters. The fruit were destemmed, chilled and gently pressed into stainless steel vessels. The juice was allowed to settle clear and then racked for a long cool fermentation. The wine was then stabilised and filtered in order to retain the brightness and freshness of flavours.
