

### **The Taste Section, The Advertiser 4 June 2014**

Right on song, this totally typical blending shows the GSM signature points with ease and confidence - plus just a tinge of oak as well to deepen a darker fruit spectrum than many others in the same category display. It's beautifully weighted, medium to full-bodied on the palate, balanced, poised and enhanced delightfully by a supportive hug of fine finishing tannins.

**Tony Love 4 ½ stars**
